

Attention Members

Dear Members, I want to assure you that Kinetix is alive and well! There have not been any discussions regarding Kinetix being bought out of their lease and Kinetix's intent is to stay at the current location for the next 15 years. I have personally been in touch with Liberty to try to resolve the parking issues. A notebook labeled "Parking Issues" is located on the front counter of Kinetix so that your voice as valued members can be heard. Please date and sign each entry and make your entry with the understanding that it will be sent to Liberty and possibly used as supporting evidence in the future. I want to encourage each of you to remain optimistic and patient while I take your concerns to Liberty with the hope that they will be addressed. Should any details emerge that you need to be notified of, I assure you that I will make you all aware.

Sincerely, Whit Johnston, Counsel for Kinetix LV,
